BRIGHT PROSPECTS FOR THE REALIZATION

all racing officials shall be far more active and efficient in suppressing all forms of trickery and unfairness than they have usually been in the past. But it is certain that there will be no shadow of trickery or unfairness of any kind in the race for the Realization to-morrow. Every horse will be out for the money, and it will be a superb contest at a mile and five furlongs, one worthy of the admiration of a huge multitude of spectators.

No summer afternoon could be pleasanter than that of yesterday. It was not too hot nor too humid. His owner, fivron McClelland, was very confident, however, and his confidence was fully justified. The four ran in a bunch on the backstretch, after the wend of the four of the four of Navarre and Our Jack but is the pace in find and at the end. Taking the weights into account, it was a genuinely brilliant triumph for henry of Navarre of the healt racing he pace in find and at the end. Taking the weights into account, it was a genuinely brilliant triumph for henry of Navarre, one of the best races he ever ran, and he is certainly high up in the highest class of

best, and the same may be said of the material.

All the wagons the company now has here are built especially for New-York wear and tear, and they will stand it.

A bargain may be had of anything in the way of fancy traps or runabouts at the repository of Roberts & Brinkerhoff, No. 117 Chambers-st. They have a large assortment of the above-mentioned vehicles in almost every style of color and trimming.

Horses that are sound are rather a scarce article at present, but a few of them may be seen at the New-York Coach Horse and Cob Company, No. 258 West Skyty-nintiest. They consist of four-ingrand and tandem teams, single horses and fine saddle horses.

W. B. Pond & Co. No. 518 Broadway, have a bargain list in second-hand carriages this week. They are spider phaetons, runabouts, standage phaetons, tandem carts and wagonettes, all of which are in first-class condition.

H. A. Waterhouse & Son are offering a choice line of carriages and traps at extraordinarily low prices. They want to make room for new goods for the fall trade, and are willing to close out the light stock at a sacrifice. Many great bargains are to be had.
